

2010-2011 SEASON

WELCOME VENDORS!

The Owners, Staff and Management of the Arizona Market Place would like to welcome you here. We are all looking forward to a good season and hope you are also. Lori Houck has joined the staff this year in the front office, so stop in and say hi and introduce yourself. Jim Taal has joined us again this season as Floor Manager. Al is still with the Market as the Kitchen Manager. The main kitchen and several other booths are now run by private food vendors for a variety of food and will open beginning October 14th. Virginia Hamilton will once again be the lady with all the answers at the very popular Information Booth, located in a kiosk and the front of Row E. Come check it out!

Please take a moment to look through these enclosed papers so you are again familiar with the advertising options available to you. Please read through the Rules and Regulations as there are some updates. As you are setting up your spaces remember that ALL tarps must still be fire retardant. Also, all vendors and their employees must park in their space or in the vendor parking lot. This year there is also parking available for vendors inside the market. A fine for parking in non-vendor designated areas of the main parking lot will be assessed beginning November 5th. Vendors need to remember that they are also responsible for the actions of their employees, so please make sure that your employees also understand the rules and designated parking areas.

The bar and stage area has a new look and a full schedule of events planned for the new season. We are also again planning to get the community involved in Arizona Market Place in many ways; some will be community-minded and some will be seasonal, some a little of both. Our ultimate goal is always to get the community to become your customer!

To start off the season once again this year, Mollen Immunization Clinics will be holding flu shot clinics at the Market on Saturdays and Sundays during the month of November. These shots are reasonably priced, and insurance plans are accepted. Please feel free to take advantage of this opportunity.

Again, to everyone, welcome!

Brenda Letendre
General Manager
